SPEAKERS PROFILE

Rian Geldenhuys, Director: Trade Law Chambers

Rian is an international trade and commercial lawyer with Trade Law Chambers. He has advised numerous clients/industries on their market access strategies as well as the protection of such industries.

Rian has completed his BA LLB, LLM (International Trade Law) and MBA degrees at the University of Stellenbosch. He has contributed to numerous conferences on international trade law and has lectured at most universities in South Africa on the topic. He is also a lecturer on this topic on all the University of Stellenbosch Business School's MBA programmes.
